

## Roadside Assistance – Terms and Conditions

As an active Vision Premier Prepaid Cardholder, you are covered in any vehicle, up to \$75 per occurrence up to 3 incidents per year, for the following services:

- Lockout Service – if you lock yourself out of the vehicle - we can help to get you back in your car and on your way.
- Fuel Delivery – if you are away from home and run out of gas - we can deliver enough to get you to the nearest station
- Battery Jump-Start –if your vehicle won't start - we'll send someone over to jump start it for you
- Flat Tire Change - if you have a flat tire, we can help you change it with your spare
- Note: Towing is not included in these covered services.

### Delivery of Fuel

In the event a covered vehicle runs out of fuel while being operated, a service call will be provided to delivery an emergency supply of fuel to the disablement site (except where prohibited by law). The actual cost of the fuel shall be the customer's responsibility. Delivery and any associated labor costs shall not exceed the customer's per incident limit. Any additional costs will be charged to the vehicle member based on the prevailing local rates and are due and payable according to the terms stated by the independent road service contractor rendering service.

### Jump-Start/Battery Boost

In the event a vehicle is disabled due to a drained battery, a service call will be provided to conduct a jump-start in order to get the vehicle operating properly. The cost of a new battery and any additional installation costs shall be at the customer's expense. Delivery and any associated labor costs shall not exceed the customer's per incident limit. Any additional costs will be charged to the customer based on the prevailing local rates and are due and payable according to the terms stated by the independent road service contractor rendering service.

### Lockout – Locksmith Services

In the event the operator of a covered vehicle locks the keys inside the vehicle a service call will be provided to assist in the opening of the locked vehicle. The cost of a replacement key if necessary shall be at the customer's expense. Delivery and any associated labor costs shall not exceed the customer's per incident limit. Any additional costs will be charged to the owner based on the prevailing local rates and are due and payable according to the terms stated by the independent road service contractor rendering service. Operator may be required to show proof of ownership at the time service is provided for security purposes.

### Tire Change

In the event a covered vehicle has a flat tire and/or requires assistance in changing a tire to a good mounted spare, a service call will be issued to provide assistance. The service call and any associated labor costs shall not exceed the customer's per incident limit. Any additional costs will be charged to the customer based on the prevailing local rates and are due and payable according to the terms stated by the independent road service contractor rendering service. Any additional labor done on site will be the customer's expense. (patch a tire, mount a replacement tire)
